

Prefixes.

If everyone is a Builder, the prefixes have nothing to mark.

We dropped them at Cars24 recently. VP, Director, CXO. None of it matters for working effectively.

Describe yourself by what problems you have solved, not by who you report to.

We still have managers. We still have reporting lines. What we removed is the senior-senior-senior staircase. The years it takes to be allowed to speak in a room.

| *Titles are coordinates, not coronations.*
